

## **Some Have, Some Never Will**

Elvira, 12

Everybody is the same.

Yeah, some are poor, some are rich.

Some have a home, others don't.

Some go to school, some never will.

But this isn't fair.

Is it?

Life is already hard.

Don't make it even harder.

Kids in 3<sup>rd</sup> world countries;

They are the same.

Give them a chance,

Just like we get.

They need a school, not a job when they are only 8!!
